**A THANK YOU from John Davis:** Thank you to everyone who came to support me at my ordination and who showed their love and support in the liturgies and gatherings that followed. Thank you to everyone in our parish family who has supported me and my family and prayed for me during these years of study and formation. Your presence in my life is a Grace. Be assured of my prayers for all of you.

**WHAT IS EUCHARISTIC ADORATION??:** Did you ever wish that you had a “pause” button for life? Do wish you could pause the really important moments so that you could more fully enjoy them? In a way, Eucharistic Adoration is a "pause button" for our encounter with Christ at the Mass when we receive him in his Body and Blood.

Adoration of the Blessed Sacrament is a form of prayer that began centuries ago. The same Eucharist we receive at Mass is what (or more

accurately who) we worship in Adoration. A consecrated host is displayed in a beautiful sacred vessel called a Monstrance. The word “monstrance” means “to show.” The monstrance allows Christ’s body to be seen and “shown” to us - so that we can be present to God as he is present to us in his Eucharist.

It is very important to remember that Adoration is a prayer that flows from the Mass; it does not take the place of Mass. During Adoration, we have the opportunity to come face-to-face with the living God. Like spending time with a close friend, Eucharistic Adoration is about deepening and strengthening our personal relationship with God.

**Remembering, with Candles. The Deceased of Our Parish** - The group of candles burning in the sanctuary of Sacred Heart Church are in memory of the following from our Parish who died during the past year. The candles, crafted from the Paschal Candle used at their Funeral Masses, were lit by family members and friends of the deceased and will burn during all the Masses through Thanksgiving.
