

ROOTED IN THE SPIRIT

FALL RETREAT, 2009  SACRED HEART CATHOLIC CHURCH  CHESTERTOWN, MD

It is simply time to step out of our daily lives and reflect, refresh and renew!

ROOTED IN THE SPIRIT

As young believers in our Catholic community of faith, we leave our typical world behind and travel to the serenity of Pecometh, located along the shores of the Chester River. Nestled among pine forest, open fields and quiet spaces we will encounter the Creator first hand.

Throughout our brief retreat, we will be called to explore and discover our rootedness in the Holy Spirit through a process of thinking, feeling and doing. In Jeremiah 17: 7-8 we read God's promise that the one who trusts in the

Lord, who hopes in the Lord, is like a tree planted by waters with roots stretching out and renewed by the living waters. The tree fears nothing, remains healthy, even in years of drought it finds no distress, yet still bears fruit.

ROOTED IN THE PROCESS

We will spend time in our small group building relationships, experiencing the Holy Spirit, living in community and encountering God's creation first hand. There will be time to relax, learn, play, pray, work, breath, listen and worship. Come with an open mind and heart. Be ready for the weather and whatever the Holy Spirit has in store for you at Pecometh!
